(Yeah)

We goin' international with this one

Kaz Money, Rime and the one and only Karl Wolf

Yalla Habibi

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin'

Miss the kissin'

And miss the way you touch me

Why don't we enjoy the beauty of life?

Yalla Baby

[Karl Wolf]

Lately, seems like I haven't had the time to enjoy life  
with you girl

But maybe I should take break from the limelight so we  
can get away

At least for a few days or a few weeks (yeah)

It would be amazing to treat ourselves just a little bit  
girl

We can go

Far away

To a sunny place

Yalla Habibi

We can fly

To a place and hide

So we can spend time

Yalla Habibi

I miss the cuddlin'

Miss the kissin'

And miss the way you touch me

Why don't we enjoy the beauty of life?  
Yalla Baby

[Rime]  
Baby it's funny how you say this  
Cause I was thinking the same thing  
And honey we used to be like Bonnie and Clyde  
But now we barely make time for each other  
Let's take a trip together  
Go somewhere just you and I  
Cause baby it's been a while

We can go  
Far away  
To a sunny place  
Yalla Habibi  
We can fly  
To a place and hide  
So we can spend time  
Yalla Habibi

I miss the cuddlin'  
Miss the kissin'  
And miss the way you touch me  
Why don't we enjoy the beauty of life?  
Yalla Baby

[Kaz Money]  
Race to the top  
We livin' life in the fast lane  
Fast trips ya salam is in fast games  
Top of the world looking down work hard  
Stick with me girl you gotta be a brave heart  
Distracted by flashing lights like Kanye  
Somehow you keep me in the zone like Alazay  
Either way you deserve it oh you're a queen like  
Nefertiti  
So

Yalla Habibi  
We can go  
Far away  
To a sunny place  
Yalla Habibi  
We can fly  
To a place and hide  
So we can spend time  
Yalla Habibi

I miss the cuddlin'  
Miss the kissin'

And miss the way you touch me  
Why don't we enjoy the beauty of life?  
Yalla Baby

We can go  
Far away  
To a sunny place  
Yalla Habibi  
We can fly  
To a place and hide  
So we can spend time  
Yalla Habibi

I miss the cuddlin'  
Miss the kissin'  
And miss the way you touch me  
Why don't we enjoy the beauty of life?  
Yalla Baby

Where else in the world would you wanna be but right  
here with us right now  
Kaz Money, Rime and the one and only Karl Wolf
