Didn't mean to cause a fight  
Babe, I was just jealous  
Didn't mean to make you cry  
But I was just jealous  
When I saw you with a guy  
I couldn't resist  
Cause I knew this was it  
You would leave me for him  
Would've told you just to hold me  
The reason to worry  
Never thought you'd pack  
And leave like that in a hurry  
We're just going through a phase  
But now that you're gone  
I know it's too late  
When you walked out that gate  
Didn't mean to cause a fight  
Babe, I was just jealous  
Didn't mean to make you cry  
But I was just jealous  
When I saw you with a guy  
I couldn't resist  
Cause I knew this was it  
You would leave me for him  
Would've told you just to hold me  
The reason to worry  
Never thought you'd pack  
And leave like that in a hurry  
We're just going through a phase  
But now that you're gone  
I know it's too late  
When you walked out that gate  
Didn't mean to cause a fight  
Babe, I was just jealous  
Didn't mean to make you cry  
But I was just jealous  
When I saw you with a guy  
I couldn't resist  
Cause I knew this was it  
You would leave me for him  
Would've told you just to hold me  
The reason to worry

Never thought you'd pack  
And leave like that in a hurry  
We're just going through a phase  
But now that you're gone  
I know it's too late  
When you walked out that gate  
(I was just jealous)  
Didn't mean to cause a fight  
Babe, I was just jealous  
Didn't mean to make you cry  
But I was just jealous  
When I saw you with a guy  
I couldn't resist  
Cause I knew this was it  
You would leave me for him  
Would've told you just to hold me  
The reason to worry  
Never thought you'd pack  
And leave like that in a hurry  
We're just going through a phase  
But now that you're gone  
I know it's too late  
When you walked out that gate  
(I was just jealous)
