Am I really here in your arms
This is just like I dreamed it would be
I feel like weæŠ®e frozen in time
And youæŠ®e the only one I can see

And hey
I've looked all my life for you
Now you're here
And hey
I'll spend all my life with you
All my life

And I never really knew how to love
I just hoped somehow I'd see
Oh I asked for a little help from above
Send an angel down to me

And hey
I've looked all my life for you
And now you're here
And hey
I'll spend all my life with you
All my life

I never thought I could feel a love so tender
I never thought I could let those feelings show
But now my heart is on my sleeve
And this love will never leave
I know I know

And hey
I've looked all my life for you
And now you're here
And hey
I'll spend all my life with you
All my life
