Energy Lyrics

[Intro]

Ooh ooh,
Oh ohh,
Ohhohhohh.

[Verse 1]

I wish i could rip out a page of my memory cause i put
to much energy im her and me, can't wait till i get
through this faze cause it's killin me to bad we can't
rewirte our own history

[Hook]

Such a mystery,
When she's here with me,
It's hard to believe I'm still lonely,
Chances fadin' now,
Patience runnin' out,
This ain't how it's supposed to be.

[Chorus]

I'm havin' nightmares from sleepin' with the enemy,
How do we reverse the chemistry
I don't want us to be the end of me
This love is takin' all of my energy,
Energy,
My energy,
Takin' all of my energy,
Energy,
My energy,
Takin' all of).

[Verse 2]

Seems only like yesterday, (day)
Not even gravity could keep your feet off the ground
when you're with me, (you're with me)
How can two be as one? have become so divided now?
There's no use hidin' from misery, nooo.

[Hook]

Such a mystery,
When she's here with me,
It's hard to believe I'm still lonely,
Chances fadin' now,
Patience runnin' out,
This ain't how it's supposed to be.

[Chorus]

I'm havin' nightmares from sleepin' with the enemy,
How do we reverse the chemistry?
I don't want us to be end of me
This love is takin' all of my energy, Energy,
My energy,
Takin' all of my energy,
Energy,
My energy,
Taking all of my energy

(Oh oh)

Now I can feel a change in me
and I can't afford to slip much further
from the person I was meant to be (ohohohohoho)

I'm not afraid to walk alone
not giving up but moving on
before it gets to deep
'cause your taking all of my energy,
energy,
my energy,

its taking all of my energy,
energy,
my energy,

taking all of my energy,
energy,
my energy,

its taking all of my energy,
energy,
my energy

its taking all of my energy,
energy,
my energy,

its taking all of my energy,
energy,
my energy,
taking all of my energy,

energy,
my energy.
(taking all of my energy)
