You know I'm finally free yeah finally free yeah
Nobody can take that from me,
You know that I walk where I want yeah
Do what I want yeah,
Nobody can take that away,
Oh man you know I'm finally free yeah finally free yeah
Nobody can take that from me,
Finally, finally, finally free,

Yo

I'll take all the laughter I get
Cause words can only hurt if you got nothing to forget
So hit me with your best shot again, again
My father had it worse right now I'm lifting his debt

Do you even know how it feels to be free? Free, yeah
To have the way I'm having, opportunity
'Cause man, this is life
So hit me with your best
Do you even know how it feels to be free? Finally

So flick your finger up in my face
And talk behind my back as if I'm from outer space
Karma's a bitch, watch your step, step
My father had it worse right now I'm lifting his debt

Do you even know how it feels to be free? Free, yeah
To have the way I'm having, opportunity
'Cause man, this is life
So hit me with your best
Do you even know how it feels to be free? Finally
Finally, finally, free, finally, finally, finally, free

You know I'm finally free yeah finally free yeah
Nobody can take that from me,
You know that I walk where I want yeah
Do what I want yeah,
Nobody can take that away,
Oh man you know I'm finally free yeah finally free yeah
Nobody can take that from me,

Finally, finally, finally free,

Free finally,

Free

Oh I'm free,

Oh I'm free,

Oh I'm free,

Oh I'm free

Finally

Free

Finally
