chorus

she's so ghetto  
that's why i am into her  
she will fight for me  
give her love for me  
she will bring me back into her world  
she is ghetto  
i think i feel her swag so bad  
what we got is a ghetto ghetto love  
(repeat)

i am looking at the sexy girl from a distance  
she is so .. let me tell you  
that thing let me tell you  
then i take her to the parking lot

jumping into my car and straight to my spot  
but she started to fight as we step out to the club  
only cause the .. tried to give me a little hug

chorus

(repeats all)

for the ghetto  
for the ghetto love  
for the ghetto  
this ghetto love
