Don't u miss miss that and the other
Cause I told u your my boo
Your my only lover
But u ditch this
Tell when u gonna fix this
Babe your my star
But when u run away

It's so hard
Hard
Hard...
It's so hard
Hard...

She's gone with the wind
She's gone with the wind
Cause we were so close now are very far
She's gone with the wind
She's gone with the wind
And I miss her
And I miss her
There was a time
We were just lovers
There was a time
We were just friends
But now she's gone with the wind
She's gone with the wind
And I miss her
And I miss her
And I miss her a...
And I miss her a...
And I miss her
Miss her
Miss her a...

Cause I found out that your cheating
I found out from my friend
We both kno there's nobody that can touch u like I can
Cause this girl is just a freak
This girl is just a freak
This girl is just a freak
Oh oh oh

I messaged u
U ignored me
I wake up screaming
This face that I'm used to has disappeared

She's gone with the wind
She's gone with the wind
Cause we were so close now are very far
She's gone with the wind
She's gone with the wind
And I miss her
And I miss her
There was a time
We were just lovers
There was a time
We were just friends
But now she's gone with the wind
She's gone with the wind
And I miss her
And I miss her
And I miss her a...
And I miss her a...
And I miss her
Miss her
Miss her a...
And I miss her a...
And I miss her a...
And I miss her
Miss her
Miss her a...

And I miss her a...
And I miss her a...
And I miss her
Miss her
Miss her
