Oh we never know where life will take us  
We know it's just a ride on the wheel  
And we never know when death will shake us  
And we wonder how it will feel

So goodbye my friend  
I know I'll never see you again  
But the time together through all the years  
Will take away these tears  
It's O.K. now  
Goodbye my friend

I'd see a lot of things that made me crazy  
And I guess I held on to you  
You could've run away and left, well maybe  
But it wasn't time and we both knew

So goodbye my friend  
I know I'll never see you again  
But the love you gave me through all the years  
Will take away my tears  
I'm O.K. now  
Goodbye my friend

A life so fragile, a love so pure  
We can't hold on but we try  
We watch how quickly it disappears  
And we'll never know why

But I'm O.K. now  
Goodbye my friend  
You can go now  
Goodbye my friend
