[Chorus:]

Temper Temper Missy she gets mad  
Once attention stabs her in the soul  
Cause man we're hun first and monsters last  
Hollow Girl, I wish you better  
Hollow Girl, Forever

She started off as being passive Wish  
I knew the bats she would go on to produce on me  
There was something wrong  
Was clouded, Once rain touched her texture Stop  
Wining, could I be the one to blame  
She was like abstract art

[Pre-Chorus:]

Step 1, make sure you read the lines  
Trouble seldom rewinds  
Step 2, watch out for mines  
And if miss thing acts up in hate  
Ditch quick, reverse your fate  
Allow me to introduce to you

[Chorus]

It's ring time  
Never never surrender, bet's on you  
And cheddar fall off a tree  
Drag me outside her store  
I'm blinded by infactuation  
Stopped smiling  
Securty abandoned me  
Sharks began to feed!

[Pre-Chorus]

[Chorus]
