I'm reaching you're amused  
There's still time to spen a thread that sews m future  
In you eyes, I see my focused  
Tender Ducess  
Let me lead the way

[Chorus 1:]  
Cause this ship is on the go  
And we're walking to and fro  
I am steerng into hope  
Don't walk away  
The time is on the wall  
Just bet it all  
I am staring into hope  
Princess wouldn't want it any other way

Little Temptress, runnin ramped  
Causing distraction  
Wherever her tiptoe prints may fall  
I still see me focused  
Tender Duchess  
Let e lead the way

[Chorus 2:]  
Cause this ship is on the go  
And we're walking to and fro  
I am steerng into hope  
Don't walk away  
The time is on the wall  
Just bet it all  
Roll the dice and take the fall  
Princess wouldn't have it any other way

Oh oh ah she is my princess  
Oh oh ah she is my princess  
Oh oh ah she is my princess

She brings me into sunset after a log day  
Princess has a way with words  
I've nothin to say [x2]

[Chorus 1]

[Chorus 2]

Oh Oh ah she is my princess  
Oh oh ah she is my princess  
Oh oh ah she is my princess [x2]
