Hey do you believe in intelligent life?
UFO, oh oh,
Can we just be alone seeing things in the sky?
I know that you know,

Don't mind takin' my eyes away,
But I see your world destroying itself into pieces,
We fight 'til we fall, it sucks I won't lie,
I wish there was intelligent life,

Oh oh oh, UFO oh oh,
In the sky,

UFO oh oh, UFO oh oh,
In the sky,

Do you believe in shooting stars,
Do you believe in Venus and Mars,
Do you believe in paradise,
Or is it something that's right in front of your eyes,

So as the sun comes up, then the clouds part,
Skies are clear see a UFO now,
See I'm a believer,
You know I need ya,
I wanna know,
Are we in love?

Hey do you believe in intelligent life? hey!
UFO, oh oh,
Can we just be alone seeing things in the sky?
I know that you know,

Don't mind takin' my eyes away,
But I see your world destroying itself into pieces,
We fight 'til we fall, it sucks I won't lie,
I wish there was intelligent life,

Oh oh oh, UFO oh oh,
In the sky,

UFO oh oh, UFO oh oh,
In the sky,

I had this feeling that we ain't alone (ain't alone)
And that we others are the ?
We build us up and we break us down,
It's all in a sky that's slowly coming down,

So as the sun comes up, then the clouds part,
Skies are clear see a UFO now,
See I'm a believer,
You know I need ya,
I wanna know,
Are we in love?

Hey do you believe in intelligent life?
UFO, oh oh,
Can we just be alone seeing things in the sky?
I know that you know,

Don't mind takin' my eyes away,
But I see your world destroying itself into pieces,
We fight 'til we fall, it sucks I won't lie,
I wish there was intelligent life,

Oh oh oh, UFO oh oh,
In the sky,

UFO oh oh, UFO oh oh,
In the sky,

Can I get a witness, hey,
Witness hey, witness yeah,

Can I get a witness, hey,
Witness hey, witness yeah,

whoa, UFO

Can I get a witness, hey,
Witness hey, witness yeah,

Can I get a witness, hey,
Witness hey, witness yeah,

Whoa

Can I get a witness, hey,
Witness hey, witness yeah,

Can I get a witness, hey,

Witness hey, witness yeah,

whoa UFO

Can I get a witness, hey,
Witness hey, witness yeah,

Can I get a witness, hey,
Witness hey, witness yeah,
