We can be friends we can be lovers
Like a master card we can discover
Don't you know took your city
So move you girls there's so pretty

Tell me baby come on
We can get that .. poppin off
Looking around look at these lights
They are together we brought this town

Chorus:

Your body girl, your body girl
Is hot like wasabi girl, is hot like wasabi girl
Now wanna gonna call 11 down ..
Your body girl, your body girl
Is hot like wasabi girl is hot like wasabi girl
Now wanna gonna call 11 down ..
Wasabi wasabi yeah, wasabi wasabi yeah

Got my suit case got my drinks
When i hit ..gonna link
We gonna eat some ..
Then i drop you home right around two
Let me know how you feel
Are you down for me on the real
I'm ... and i know how to have fun
Tell me baby come on we can get that ..poppin off
Looking around, look at these lights ..together we rock
this town

2 x Chorus:

Your body girl, your body girl
Is hot like wasabi girl, is hot like wasabi girl
Now wanna gonna call 11 down ..
Your body girl, your body girl
Is hot like wasabi girl is hot like wasabi girl
Now wanna gonna call 11 down ..
Wasabi wasabi yeah, wasabi wasabi yeah
