You're taking all I got and now you're leaving  
Ooh baby, don't go  
I thought that love was something to believe in  
Ooh baby, don't go

I've seen it in your face  
It's in your eyes when you turn away  
You think it's all a waste  
You're goin' today

I won't pretend  
I won't say it won't hurt me bad  
Won't you try it again  
Whatever happened to all that we had?

You're taking all I got and now you're leavin'  
Ooh baby, don't go  
I thought love was something to believe in  
Ooh baby, don't go

Don't fight, just hold me tight  
Everything is gonna work out right  
I won't beg but you heard what I said  
I need you every day and night

You're taking all I got and now you're leaving  
Ooh baby, don't go  
I thought that love was something to believe in  
Ooh baby, don't go

And if you close the door  
I can't wish you well anymore  
You know you really turned on me  
So don't come running back 'cause I know you'll never  
see

You're takin' all I got and now you're leaving  
Ooh baby, don't go  
I thought love was something to believe in  
Ooh baby, don't go

You're takin' all I got and now you're leaving

Ooh baby, don't go  
I thought love was something to believe in  
Ooh baby, don't go

You're takin' all I got and now you're leaving  
Ooh baby, don't go  
I thought love was something to believe in  
Ooh baby, don't go  
Ooh baby, don't go  
Ooh baby, don't go
