Careful what you do, someone's on to you
Careful what you do, careful what you say
'Cause you're on display, every night and every day

Somebody's hiding in the great unknown
Uh, huh
And every time you think that you're along
Somebody's eyes are watching

Somebody's eyes are seeing you come and go
Somebody's out there, waiting for the show
You've got no disguise from somebody's eyes

Somebody, somebody, somebody, somebody's eyes
Whoa, oh
Somebody, somebody, somebody, somebody's eyes
Whoa, oh

Careful how you speak, turn the other cheek
Be careful how you speak, think a naughty thought
And if you get caught well, then boy, you've bought a
lot of trouble

Somewhere there's someone with a perfect view
Yoo, hoo and they're just dying for a little peek-a-boo
Boo

Somebody's eyes are watching
Somebody's eyes will never close, never sleep
Somebody's after the secrets that you keep
Who's got alibis from somebody's eyes?

Somebody, somebody, somebody, somebody's eyes
Whoa, oh
Somebody, somebody, somebody, somebody's eyes
Whoa, oh

Never laugh too loud, never leave a crowd
Never dress risk, there'll be hell to pay
If you've ever had anything to hide
Think twice before you step outside

Somebody's eyes are watching
Somebody's eyes are following every move
Somebody's waiting to show they don't approve

Nothin' satisfies somebody's eyes
Ain't no alibis in somebody's eyes
You've got no disguise from somebody's eyes

Somebody, somebody, somebody, somebody's eyes
Whoa, oh
Somebody, somebody, somebody, somebody's eyes
Whoa, oh, whoa, oh
