Yeah, another crazy night! Another crazy night!  
Hands up, hands up!

Put your hands up in the air  
Put your hands up in the air... x8  
Are you ready?

Every time you leave I feel so fine  
I was cryin' all the time  
I can't take more of you  
No I can't take  
AND YOU you make my heart break x2

Every time you come to me  
You only make me cry  
No more worries, forget all the pain  
The days of passions AND lonely nights

Feel all the heartache  
Inside yourself  
And walk out of my life (out of my life)  
You are the last thing  
On my mind now  
And I know I will survive

Every time you leave I feel so fine  
I was cryin' all the time  
I can't take more of you  
No I can't take  
AND YOU make my heart break x2

Are you ready?

By the way I come to new  
though you made me cry  
all the sadness, forget all the pain  
the nights of passion, the joyful lights  
Feel all the heartache inside yourself  
And walk out of my life (out of my life)  
You are the last thing on my mind now  
And I know I will survive

Every time you leave I feel so fine  
I was cryin' all the time  
I can't take more of you  
No I can't take  
and you you make my heart break x2

Are you ready?

Put your hands up in the air  
Put your hands up in the air... x4
