Frau:

1.)

Friends, tell me I am crazy
That I'm wasting time with you
You'll never be mine
That's, not the way I see it
'Cause I feel you're already mine
Whenever you're with me
People always talk about, reputation
I don't care about your other girls
Just be good to me
Friends are always telling me
You're a user
I don't care what you do to them
Just be good to me

Mann:

2.)

Friends keep saying that you're crazy
Totally
It's not right at all
What they believe is not what I see
You keep saying just be good to me
I keep running up and down the town
And I honestly think that you're fooling around
And your friends keep making these rumours
Everyday and everynight
And if you can't see what you mean to me
Then you don't see that every breath you take
means the world to me
Totally
They keep saying that you're wasting your time
You keep saying then you gotta be mine
Let it be what it's got to be

So baby girl just be good to me

People always talking about reputation

Trying to handle this situation

I get a little nervous

Yes indeed

Don't you know you're the one I need

Baby I'm here to stay sooner or later

I'll find my way all of bliss started

Because your friends always chased

The other race

Face to face what I'm supposed to do

When you come on stronger

Stronger than I'm really did something wrong

Riding with your girlfriends all around

Baby just brings me down

Let it be what it has got to be

Baby girl just be good to me

Frau:

2.)

Friends, seem to always listen

To the bad things that you do

You'll never do that to me

You, may have many others

But I know when you're with me

You are all mine

People always talk about, reputation

I don't care 'bout your other girls

Just be good to me

Uhuhu ...

Friends are always telling me

You're a user

I don't care what you do to them

Just be good to me

Uhuhu ...

Friends, tell me I am crazy

That I'm wasting time with you

You'll never be mine

That's, not the way I see it

'Cause I feel you're already mine

Whenever you're with me

People always talk about, reputation
I don't care 'bout your other girls
Just be good to me
Friends are always telling me
You're a user
I don't care what you do to them
Just be good to me
Uhuhu ...
