Well tonight, these boardwalk lights
Will serve as our guide, as we walk along the shore
The sunset, has never looked so good,
As when I'm watching it with you.

Losing track of time, Well I'm getting lost in your eyes,
And we'll look up towards the skies,
As stars shine bright for you and I (and I).

The stars don't like, cause when I close my eyes,
I see you and I side by side.

Losing track of time, Well I'm getting lost in your eyes,
And we'll look up towards the skies,
As stars shine bright for you and I (and I).

Well the sea, was made for two,
And I know it wouldn't be the same without you.

Losing track of time, Well I'm getting lost in your eyes,
And we'll look up towards the skies,
As stars shine bright for you and I (and I).

(Woah!)
