I'm back with all, taking all challenges  
All about you babbling smoking on...  
I'm in Auckland, hoe! Hanging out with opium  
Smoking on... frat rappers never talking, no!  
I know you notice how a nigga...

..with your soda hosters  
Walking the .. talking on the motor rollers  
Over from the show, oh your know it's over!  
South more, I'll touch your mouth jaw,  
I won't let you remember more than a nigga want  
Misguided y'all, nigga say my shit's hard  
I spit them bad, take them back like a...  
I've been this hard, y'll just don't never listen to me  
That's proof in life you don't know what you're missing,  
homie  
But do a ... now, yeah, I bet your sister know me  
She know I keep two Gs....on me  
That's not for me, that's for the bitches, homie!

I'm the bartender, yeah

Look, why all we pass through that long ass show  
When you're hoping on that, probably hoping I'm  
whacked?  
It's over, I'm black the soldier rap  
Ain't nobody fucking with this!  
Huh, you could get this, I don't really dismiss  
Rap Schindler's list  
For contenders, display too much  
You should stop pretending, bitch!  
Got you, you gotta be one of the best  
..got under the rest!  
One in the chest, now..  
I'll take a picture with you, homie  
Why the rest of these niggas slipping, you get to, get to  
know me  
A living legend, not in the group in the...sense  
A premeditated bomb got me afraid to commit  
I've been in this shit, a menace with my sentences  
Casual, but he spend it with relentless

Study rappers when I ride around in my...

I'm the bartender!

I'm the bartender!

Please believe I listen to

Anybody spitting to,

Any kind of slap from anybody with me too,

Anybody listening from Auckland and Michigan

Michigan to Switzerland, you're sweet and I'll let you in!

Picture him chilling with a bitch again!

...all goes, I'll be up and...

I'll be down there, bring the Shawty down...

Calm me down... the weed that I... like Bobby brown  
hair!

Probably sound real, real raw type drama

Still sharp like a skill..

Like Mike Ronner write oracles in hip hop tutorials

In the back niggas... shoes and oreos

I listen to you all speak and all I gotta say is,

"Get your bar ass up here!"

I'm the bartender!

I'm the bartender!
