Oh

Don't come to the west coast

Yea, I got money, you stumble is fuuny

Paid it when the sun is sunny

Ah, don't come to the west coast

Hey beautiful tricks, your body's just fixed

You can't stay silikon tips

Don't come to the west coast

Come on is hard to find your bro

And for all the time it's hot

(Yea, yea, yea)

Alright, this nigga you started upon the wall of drugs

When she laughs for the yellow man and the purple bags

See it's nigga on the block they are work for fast

But we're keeping on my flows, they heard those

From ASE FOLD TO AIX the all way can we blow and all day

So you are fair

And these nigas they got a lot of money out here

Niggas don't drove out here

And we're already all here

We'll stay certain burble out here and them boys don't let me out here

After the best flow i'm here the best tough

To the last and we are aggressive teeth so pick it in fresh top

Just slow, if you want it then carry y'all it

If you storm down, then a holly you'll hell it

From BC to SD, they bless me with their rest of core flow

You see

Don't come to the west coast

Don't come to the west coast

Don't come to the west coast

Yea, I got money, you stuffed and is fuuny

Paid it when the sun is sunny

Ah, don't come to the west coast

Hey beautiful tricks, your body just fixed

And caged there in silikon typs

Don't come to the west coast
To find is hard to find your bro
And for all the time it's hot
Alright, prepare for nigga and see how they freeze now
No, you know the paid gold they all emberline though
Ally cost and camp in the west
Nigga feels whose rocks on the beautiful blocks
There were allies niggas with them switchies in six
flows
All nigas hit it the glas and opened the door
They cut off and opned the hose and moves like the
mad
Niggas saw them and they still doing like that
Last week when they did here my last camp
Champagne, I'm engaged like I'm blowing like wheat
What it would be withou the greatest?
What it would be without the hatest?
We don't let it go
Don't come to the west coast
Hey beautiful tricks,your body's just fixed
You can't stay in sillicon tips
Don't come to the west coast
To fond is hard, to find your bro
And for all the time it's hot
(Yea, yea, yea)
Don't come to the west coast
Yea, I got money, you stumble is fuuny
Paid it when the sun is sunny
Ah,don't come to the west coast
Hey beautiful tricks,your body's just fixed
You can't stay in sillicon tips
Don't come to the west coast
To find is hard to find your bro
And for all the time it's hot
(Yea, yea, yea)
Don't come to the west coast
To find is hard, to find your bro
And for all the time it's hot
Don't come to the west coast
The game was lost, you're step is low
Don't come to the west coast.
