Don't worry about me..enjoy yourself
She said he wonder where I be at, enjoy yourself
You're looking mad now, that you see your boy at.
I hit em with the eye cuff and enjoy yourself
smoking and drinking, you're gonna destroy your
health,

it shouldn't take some melts to enjoy yourself
I spit it the critics like I'm real McCoy himself
you're mad at me, but enjoy yourself.

Make yourself feel better, you're talking the deal with
her,
but use no hands my man you feel bigger and go enjoy
yourself
call another one, I know somebody saying cast full of
real nigga
y'almost got riders..can't think a shit,
I might speak and split, with a weaker spit,
Jake beats nigga street he sicker shit,
thinking all the money we can give for making this.

Cash and jake the new biggy, and puff a high spit
slippery
plus my delivery of liquidity
cast plus full of rise..

Ain't got no money for the weekend enjoy yourself
the girlfriend be twicking and enjoy yourself
why you mean mugging it's church enjoy yourself,
often saying thuggin but I got a loyal bill.

I'm like ..with this grandma I should employ your elf,
I'm squeed I'll be ..now just enjoy yourself,
But remember temperatures don't make the B boy melt
keep the forty ride up under the belt,
don't make me deploy and still ..
six till enjoy yourself,
all my niggas got perk and flip enjoy for wealth,
Why you're having hard times tryin enjoy yourself,
I'm with the chicken floor that who love to listening the

good rhymes,
your best dime life.. from good times,
..within where you fit in and within all this people
spit it within, we come again
be the arm man, do your grown man,
I thought about it last time, I went to Stonehenge
raps and I got fully blond hands
is not the type I got the bully on friends,
you're getting more than me then put me on here
high school I used to play hooky on hand
now is that the tool that you're puttin on..
you're like a news caster, you're puttin on spin,
deal pies with that putting on this chin,
I feel sausy I enjoy myself,
you ever get me in your stoo, I'm like your ..melt.
