Hook:

Oh yeah, yeah

Thinking about my money, yeah!

I ain't got the time for nothing they do to know I do

Got you thinking about my money (money)!

And, and I'm too busy thinking about my money, yeah!

I ain't got the time for nothing they do to know I do

Got you thinking about my money!

Uh, and I'm talking millionaire on some baller shit

..that I party with, hardly get the starting shit

Cats keep their wallet thick, running, trying politic

Find a million dollar, look a nigga better holler

Quicker on my toes, game thicker on my hoes

Same shit on my foes can't get on my clothes

Ain't put on the click, homes! said the ..

Then get going and get on, you probably get you..

You can make it rain, get your trick on

I pop it like the... and my chip going would get going..

I'm sick on the rhyme, paparazzi click on my chip all the time

Like ...stuff is got to change

Taking all your fly, yeah back to Buffalo exchange

I'm on the plane, no nigga, ain't nothing about to

change,

You got a rainbow sticker on the bumper of your

Range!

Hook:

And I ain't got the time for nothing

And, and I'm too busy thinking about my money, yeah!

We're kicking the dough like po-po and... to Auckland...

Smoke in Vegas, out smoking players, I'm opened, hater!

When I went broke, my hoe got...
I won't not hit, I'm on my shit!
Blowing on the...not a scraper
Thinking about the paper when I think you caught the
famous
Cause your're drinking and your stinky eyes been
mugging me
Hating and debating on tugging me ...
I can... get cupcake...
... be fast, they're loving this discovery
Think it's funny when I rhyme... holler up in here
Cause it's money on my mind, I got some dollar in my
ear, yeah!

Hook:

And I ain't got the time for nothing
And, and I'm too busy thinking about my money, yeah!
I ain't got the time for nothing they do to know I do
Got you thinking about my money!

I'm thinking about... dough,.. scratch paper
Cash, bread, Freddy ain't ready
For a.. the shillings to get millions
And watch all these niggas catch feelings on your next
killing
Chips, cheese, ...who show loyalty
I'm rolling raw, slip real and...
I got.. and I need money
Throw the house in a...
I'll be there, till I'll bust a few thousand
And what can a hustler do now, then?
Nothing ..something that you must be accustomed to
When you shine and busters hustle you!
Trust me, honey, you must be funny
But I ain't thinking about that, I'm thinking about my
money!

Hook:

And I ain't got the time for nothing
And, and I'm too busy thinking about my money, yeah!
I ain't got the time for nothing they do to know I do
Got you thinking about my money!
