Love, amazing, my fly guy
Kinda wanna get high with you
Perfect sky, gotta try
Cuz I feel it coming through
And I wanna be with you
So accept the way I feel
This is realÂ...

Chorus:
I wanna be with you
Da, da, da, da
Be with you
Da, da, da, da
Be with you
Da, da, da, da
Be with you....

Truth, I want that perfect scar In my eyes, on my bones
Everywhere you are
YouÂ'll find me, I see it too
And I canÂ't touch you I wanna wrestle you in the sand
And when the ocean carries us away
WeÂ'll find our landÂ...

I wanna be with you
Da, da, da, da
Be with you
Da, da, da, da
Be with you
Da, da, da, da
Be with you...

I feel you more than thunder
I donÂ't want out from under
Just give me time and places
With only our two facesÂ...

I wanna be with you
Da, da, da, da
Be with you
Da, da, da, da
Be with you

Da, da, da, da
Be with you...

Love, amazing, my fly guy
Kinda wanna get high with you
Perfect sky, gotta try
Cuz I feel it coming through
And I wanna be with you
So accept the way I feel
This is real...
