This is not about you
It's all about me, what makes me happy
That's something you just couldn't do
Kept bringin me down, I was in the background

No, You can't touch me there, you don't deserve my
body baby
No, You say it's not fair, but I'm the one who calls it
lately, cause I'm

Free, yeah
I have arrived, I'm so alive, now that I'm
Free yeah
I'm on my own but not alone, cause I'm
Free yeahhh

It's so different than before
I have a purpose, and I'm not nervous
Now I feel so much more
I'm walking proudly, and singing loudly

And I wouldn't rather be, anywhere but right here now
oh
And I'm so proud of me, cause no one had to tell me
how, cause I'm

Free, yeah
I have arrived, I'm so alive, now that I'm
Free yeah
I'm on my own but not alone,

So shove it all into that big head of yours, all those
Dramatic scenes I don't need any more
Cause I'm Free

Cause I'm Free Yeah
I've got it all, I'm having a ball and I've got
Dreams baby, they're not with you, you get the clue?
I'm flyin
Solo baby yeah, I have arrived, I'm so alive, now that
I'm
Free yeah, I'm on my own, but not alone, cause I'm

Free, Yeah

Yes I'm free yeahh
