I am ready to go
How far will you go
On a motorcycle ride
Got wind in your eyes
Can't see the stars, just one big white sky

I'm ready to go
And I offer a kiss
You're not ready to go
Not ready to miss
All of the stupidity, that doesn't come with this

But it's, too late, too late for me
You're already, gone with the wind, baby...

You're gone
You're gone
Gone with the wind, baby

So now I'm ready to leave
With my heart on my sleeve
I think you're pulling my strings
Don't try to make me believe
That you, you still wanna open my wings

So that together we fly
Like a bat in the sky
Cause when you say you tell the truth
I gotta question your lies
As I look into those big blue eyes

But it's, too late, too late for me
You're already, gone with the wind, baby...

You're gone (don't know where you're going)
You're gone (wherever the wind is blowing)
You're gone (don't know where you're going)
Gone with the wind, baby

Well it's nice to see your face
Yeah, you seem to like the chase
Think you're ready, but going steady is a, a rocky ride

Iâ€™m not playing in your games again
Baby, donâ€™t you know how long itâ€™s been
Easy Rider, Iâ€™m going higher
And now Iâ€™m goneâ€¦

Iâ€™m gone (donâ€™t know where Iâ€™m going)
â€™m gone (wherever the wind is blowing)
Iâ€™m gone (gone and I am flying with the wind behind
me)
Iâ€™m gone (gone and I am flying with the wind behind
me)
Iâ€™m gone with the wind
