Only make believe I love you,
Only make believe that you love me.
Others find peace of mind in pretending,
Couldn't you? Couldn't I? Couldn't we?
Make believe our lips are blending
In a phantom kiss, or two, or three.
Might as well make believe I love you,
For to tell the truth I do

Though the cold and brutal fact is
You and I have never met,
We need not mind convention's P's and Q's
If we put our thoughts in practice
We can banish all regret
Imagining most anything we choose.

Only make believe I love you,
Only make believe that you love me.
Others find peace of mind in pretending,
Couldn't you?
Couldn't I?
Couldn't we?
Make believe our lips are blending
In a phantom kiss, or two, or three.
Might as well make believe I love you,
For to tell the truth I do
