Too young to go steady, too young
I hear him say
(Her)
He says I'm not ready
(She, we're)
But then why am I feeling this way?
(Are we)

Too young, so he tells me
(She)
He says we'll have to wait
(She)
Why wait till it may be too late?

Can't he realize he drive me wild?
(She, she)
Is he made of stone?
(She)
Must he always treat me like a child?
(She act just)

Won't he ever own up?
(She)
I'm grown up?
(We're)
Some day he'll be sorry
(She'll)
Some day just wait and see
He'll wish, he'd gone steady with me
(She'll, she'd)
