

Casualties "2- Faced"

Visit "[2- Faced](#)" on MotoLyrics.com

all you hypocrites out there
always telling fucking lies
always talk behind my back
every fuckin chance you get

two faced-i know your name
two faced-i know your game
two faced-i konw your kind
two faced-your full of shit
you're a two faced you cunt

so you're coming once again
spreading rumors and spreading lies
always talking behind my back
every fucking chance you get

here you come once again
telling lies to all my friends
always telling bullshit lies
every fucking chance you get
you fucking cunt
