Here we are once again
(getting drunk is not enough)
Spray it all over our heads
(god I love that fucking stuff)
It fizzes all over me
(getting glued is such a thrill)
We can get some of it
(cause we got that craving still)

(Bored and Glued)
Everywhere!
(Bored and Glued)
No one cares!
(Bored and Glued)
Shake the can!
(Bored and Glued)
Go insane!

No I'm gonna do it again
(is that me on the floor?)
Colin says I'm full of shit
(bored and glued all around)
All around, friends and me
(when there's nothing else to do)
Kinda hard to feel and see
(it's all over you)

(Bored and Glued)
Everywhere!
(Bored and Glued)
No one cares!
(Bored and Glued)
Shake the can!
(Bored and Glued)
Go insane!

(Bored and Glued)
Everywhere!
(Bored and Glued)
No one cares!
(Bored and Glued)
Shake the can!

(Bored and Glued)
Go insane!

So I do it one more time
(bored and glued is so cheap)
All the way to the fucking brain
(it's something I wanna keep)
They tell me not to do it
(getting drunk is not enough)
Bored of War and fucking glued, ahh!
(god I love that fucking stuff)

(Bored and Glued)
Everywhere!
(Bored and Glued)
No one cares!
(Bored and Glued)
Shake the can!
(Bored and Glued)
GO INSANE!

[throw up]

(GLUED!)

(BORED AND GLUED!)
