PunkRock.. This Is A Anti-Hippie Song! We Dont Like Hippies!

Punk has gone through changes
From spiky hair to long
Now anyone can say
They're into fucking punk

Kill a hippie
kill a crusty
Kill everyone
Hippies out, out of punk

Now all these fucking scumbags
They think they know it all
Their rules and ideas
Have made me fucking mad

Kill them!
Kill a hippie
kill a crusty
Kill everyone
Hippies out, out of punk

Don't give me Alternative
Don't give me MTV
We look it, live it and love it
We're in until death

Kill them!
Kill a hippie
kill a crusty
Kill everyone
Hippies Out Out Of Punk!
Get the fuck out you cunts..
Hippies out, out of punk
