American neurosis breeds a generation
Full of idiots to control and lack of education

NO SOLUTION - NO CONTROL

Store bought fixations
good at spending money but poor in conversation

THERE'S GOTTA BE A REASON
THERE'S GOTTA BE AN ANSWER
NO SOLUTION - NO CONTROL

THERE'S GOTTA BE A REASON
THERE'S GOTTA BE A WAY
NO SOLUTION - NO CONTROL

Believing what you're told
Spending on needless things
Already manipulated, suckers for the taking

NO SOLUTION - NO CONTROL

generic breed, McChildren of today..
Our fearful tomorrow

The product of a marketing strategy
A generation created with no conscious
Marching to their pop anthem
And always remaining anonymous

NO SOLUTION - NO CONTROL
NO CONTROL - NO CONTROL

American neurosis breeds the ideal generation
Full of fucking idiots and lack of education

NO SOLUTION - NO CONTROL

I'll tell you one thing...
May as well bend over because you're being fucked!
