Committed from the beginning  
There is no fucking turning back  
Forgotten youth, just wastes away  
Always forward, never look back.

Break all fucking barriers  
This street noise is all we've got  
Fury and fucking anger  
No more rules for the punx

Fuck you- no rule's made for me  
Fuck you- I do as I please  
Make some noise  
Piss 'em off  
Fuck 'em up  
that's punk rock

So straight edge is the way?  
I'll go out and drink all day  
Tell me to shut up and drink  
I'll stay sober and eat my beans

If being vegan is the fucking way  
I'll eat hot dogs in your face  
So you hate the PC crew?  
I'll write a peace song just for you

Fuck you- no rules for me  
Fuck you- I do as I please

Make some noise  
Piss 'em off  
Fuck 'em up  
that's punk rock

So you hate the spikey hair?  
I'll grow my mohawk and make you stare  
All these rules you have created  
Won't force the kids just for your sake

So get it through your fucking head  
It's up to you what to eat and wear

Militant closed-minded fools  
You're the church and schools of the youth

Fuck you- no rules for me  
Fuck you- I do as I please  
Make some noise  
Piss 'em off  
Fuck 'em up  
that's punk rock

Too many rules  
Fuck their rules!

Make some noise  
Piss 'em off  
Fuck 'em up  
that's punk rock

Fuck you- no rules for me  
Fuck you- I do as I please
