Another fucking love song for all you fucking drunk
punks [x8]

*Love for you is real, if you leave ill live in fear,
Please don't leave my dear, my love for you is real*

*Another fucking love song for all you fucking drunk
punks [x2]*

*Please don't leave just stay here,
you said you'd stay this time for real,
you broke my heart don't go away,
my love for you is real*

*Another fucking love song, for all you fucking drunk
punks [x2]
Another fucking love song, for all you fucking drunk
punks [x4]*

*Love for you is real, if you leave ill live in fear,
Please don't leave my dear, my love for you is real.*

*Another fucking love song for all you fucking drunk
punks [x4]*
