Victims - of what your fucking bill dicates
Victims - of all the fucking greed and fucking hate
Victims - 'cause the fucking law always says so
Victims - in the fucking word we know

We are all victims
We're all Victims!
We are Society's
Rejects!
We are all victims
We're all Victims!
We aeSociety's
Rejects!

Hatred - for this life I fucking live
Hatred - to the fucking looks you like to give
Hatred - into life of a fucking pile of shit
Hatred - I just can't fucking wait to quit

We're all victims
Victims!
We are Society's
Rejects!
We're all victims
Victims!
We are Society's
Rejects!

Resist - What they say is always fucking right
Resist - that is so fucking hard to fight
Resist - 'cause they control this fucing world
Resist - they control your fucking mind & soul

We are all victims
We're all Victims!
We are Society's
Rejects!
We are all victims
We're all Victims!
We are Society's
Rejects!
