In the dirty part of town  
Running with a gang  
You think you know it all  
Running with a gang  
What a fucking waste of time  
Running with a gang  
What a stupid way to die  
Who's gonna be  
When the cops come around  
Who's gonna be there  
When There's no one by your side  
Who's gonna be there  
When you find yourself all alone  
Who is gonna be there  
When you're behind fucking bars  
Casualties Whos Gonna Be...
