I saw an old friend of ours today  
She asked about you  
I didn't quite know what to say  
Heard you've been making  
The rounds 'round here  
While I've been trying to make tears disappear

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

Your such a sly one  
With your cold cold heart  
Maybe leaving can ease it  
But it tore me apart  
Time heals all wounds they say  
And I should know  
Coz it seems like forever  
But I'm letting you go

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

I can't forgive you and sooner forget  
All my shattered dreams  
Although you left me with nothing to show  
All my miseries

Now I'm almost over you  
I've almost shook these blues  
So when you come back around  
After painting the town  
You'll see I'm almost over you

When you come back around  
After painting the town  
You'll see I'm almost over you
