Hey baby, you're drivin' me crazy,
With that special lovin' feelin' that you give to me...
And I'm so proud, you want me to be your lady,
Now I know how it feels to live a fantasy...

I used to dream about love, and sure it's how it was,
But I don't have to dream no more!
'Cause I, I got more than I can stand, I found me a lover
in another man,
I got you baby that's all I was waiting for...

And I love the way you love me, I place no one above, I
don't want true love...
And I love the way you love me, and baby no matter
what,
I love the, I love the way you love...
(oh-Oh! oh-Oh! oh-Oh! Oh-oh!, oh-Oh! oh-Oh!)

Oh baby, ba, baby, I might as well face it,
I've fallen in so deep, you have control of me...
Without a doubt, it has to be the greatest,
You are every bit the man I had hoped you'd be...

I used to dream about love, and sure it's how it was,
But I don't have to dream no more, oh no!
'Cause when I think about your lovin' then I got a good
beat,
I get excited from the feeling that is given to me,
So won't you keep me comin' baby 'cause I love the joy
you bring, oh I love...

And I love the way you love me, I place no one above, I
don't want true love...
And I love the way you love me, and baby no matter
what,
I love the, I love the way you love...
(oh-Oh! oh-Oh! oh-Oh! Oh-oh! oh-Oh! oh-Oh!)
I love the way you love...
(oh-Oh! oh-Oh! oh-Oh! Oh-oh! oh-Oh! oh-Oh!) I love the
way...

One, for all the special love,
Two, a sensitive and tender touch,
Three, because you please, you bring out the best in
me,
'cause when I think about your lovin' then I got a good
beat,
I get excited from the feelin' that is given to me,
So won't you keep me comin' baby 'cause I love the joy
you bring, oh I love...

(oh Oh! oh Oh! oh Oh! Oh oh! oh Oh! oh Oh!)
I love the way you love...
(oh Oh! oh Oh! oh Oh! Oh oh! oh Oh! oh Oh!)
I love the way...

And I love the way you love me, I place no one above, I
don't want true love...
And I love the way you love me, and baby no matter
what,
I love the, I love the way you love...

One, for all the special love,
Two, a sensitive and tender touch,
Three, because you please, you bring out the best in
me,
'cause when I think about your lovin' then I got a good
beat,
I get excited from the feelin' that is given to me,
So won't you keep me comin' baby 'cause I love the joy
you bring, oh I love...

The way you love me, I place no one above, I don't want
true love...
And I love the way you love me, and baby no matter
what,
I love the, I love the way you love...
