Boy I'll never trade ya, or let another woman take ya.
I'm holding on to what I've got, I'm not a fool.
My girlfriends think I'm crazy, but I never let it phaze
me,

When they criticize the love I feel for you. Cause

Chorus

I'm your woman, and I want the world to know it

So I try my best to show that, I love you.

I'm your woman, oh baby don't you know it?

If you don't just let me show ya. I love you.

Ooh I love you, I love you, I love you.

And I'm so proud to be your woman.

I love you, I love you I love you.

Baby I love you.

Boy I couldn't stand it, if you took my love for granted,

Cause i cherish all the time I spend with you. Yes I do.

To be in love is special, it's worth more than any
treasure.

Loving you forever is all I wanna do. Oh cause

Chorus

I'm your woman, and I want the world to know it

So I try my best to show that, I love you. ooh

I'm your woman, oh baby don't you know it?

If you don't just let me show ya. I love you.

Ooh I love you, I love you, I love you.

And I'm so proud to be your woman.

I love you, I love you, I love you.

Really really love you boy.

Something about the way you make me feel.

It keeps me spinning head over heels.

And I'm so proud to say that I'm your woman,

Cause when I say it outloud, it just rings, so I sing

And start to shout.

Chorus

I'm your woman, and I want the world to know it

So I try my best to show that, I love you.

I'm your woman, oh baby don't you know it?

If you don't just let me show ya. I love you. (Yeah, yeah)

I love you, I love you, I love you, (really do love you)

I love you, I love you, I love you. (and I know you love
me too)

I love you, I love you, I love you. (baby I love you)
I love you, I love you. I love you, (And I'm not ashamed
to say it)
Proud to say I'm your woman because I'm so in love
with you.
(and I'm gonna tell the world)
Proud to say I'm your woman because I'm so in love
with you.
Too many words can get in the way, I'll break it down
and simply say
I'm always gonna be here for you.
Proud to say I'm your woman because I'm so in love
with you.
Proud to say I'm your woman because I'm so in love
with you.
Nobody else can love me this way, and every night on
my knees
I pray that the love you give is never ending. So in love
with you.
Baby I love you.
Proud to say I'm your woman because I'm so in love
with you.
(So in love with you)
Proud to say I'm your woman because I'm so in love
with you.
