Lately Ive seen a change in you
Your touch is not the same
You close the door to all your emotions
Im left out in the rain
You said that we should go our separate ways
Indecision leads your heart
I could never live in a world without you
And the pain inside is tearin me apart
[Tell me tomorrow] Tell me tomorrow
Don't you break my heart tonight, oh, baby
[Tell me tomorrow] Oh, oh, lets just make believe
This love will never die
I-I
I-I-I-I
Oh, oh, oh
Maybe I was holdin on too tight
I guess I should have known
When you leave, I wont put up a flight, no
If you have to go
Close your eyes, take me in your arms
Just the way it used to be, yeah
But before you turn and walk away
Is there a place in your heart that still belongs to me, oh
[Tell me tomorrow] Tell me [Tell me tomorrow]
Don't you break my heart tonight, oh, oh, no
Tell me tomorrow, oh, baby, lets just make believe
This love will never die
Its so hard to look in your eyes
And watch all my dreams fade away, ooh, baby
Now Ive got to be strong enough
To face another day
[Tell me tomorrow] Tell me tomorrow [Tell me
tomorrow]
Don't you break my heart tonight, no
Tell me tomorrow, hey, baby, lets just make believe
This love will never die
[Tell me tomorrow] Ooh, baby [Tell me tomorrow]
Don't you break my heart, don't you go and break my
heart
[Tell me tomorrow] I really want you, I really need you
Ohohohgonna say goodbye

[Tell me tomorrow] Tell me tomorrow [Tell me
tomorrow]
Close your eyes, take me in your arms just the way it
used to be
[Tell me tomorrow]
Is there a place in your heart that still belongs to me,
yeah
Ohohohoh
