Ohh

Without you, to hold me  
And heal my heart  
To guide me, and keep me  
From falling apart

My life is, so empty  
So hollow, and cold  
Footsteps, and echoes  
Have no where to go

Without you, without you  
I know, I'm all alone  
I can't, go on this way  
Day by day  
Without you, without you  
I know, I'm all alone  
I can't, go on this way  
Day by day  
Without you

Who am I?  
What am I to do?  
My life's out of focus, and so out of use  
I need you, to give me  
The strength to go on  
The reason, for hope  
And writing this song

Without you, without you  
I know, I'm all alone  
I can't, go on this way  
Day by day

(Instrumental)

Without you, without you  
I know, I'm all alone  
I can't, go on this way  
Day by day  
Without you, without you

I know, I'm all alone  
I can't, go on this way  
Day by day

Without you  
Ohhh oohh
