Too messed up I should have followed you Where did you get that smile and that fine hair I get my kicks from your walk in I should have gone I should have been there

You come to take me away Like a little white rabbit from yesterday Little things said, said and done I should have shot myself on the run

I wanna love, love, love I wanna love, love, love right now I wanna love, love, love I wanna love, love, love right noe So come on

She's come back from the winter Looking straight into my eyes Now I'm standing like a lunatic I bet you feel, I bet you taste good

You come to take me away Like a little white rabbit from yesterday Little things said, said and done I should have shot myself on the run

I wanna love, love, love I wanna love, love, love right now I wanna love, love, love I wanna love, love, love right noe So come on
