(Intro)

July 8, 2000, set the death date
That the crew came down on to me
Y'all took my brother from me
So now open up your books
And turn your pages to ?live you well?
12-12, and it reads "You are now entering
The gates of hell, all cause of betrayal
Y'all took my brother from me, it's war time
Y'all dying, cause the ? is mine"

[Darkside Ballaz: Sko]

I'm feeling neglected, disrespected niggas don't
appreciate my effort
That I, put forward, so I'm bringing forth war
Make em respect me, who the fuck wanna catch me
when I'm speed
Looking at niggas hit the ground and bleed, who the
fuck leave
Nigga, eat, sleep, now my heart's full of grief
Y'all put us six feet, you bitches killed the chief
He said, you don't know who did it bitch, you lying
through your teeth
You said you running with it bitch, he got killed on the D
Get em all, till them all fall, kill em all, for betraying me
Get em all, till them all fall, kill em all, for betraying me
Get em all, till them all fall, kill em all, for betraying me
Darkside love, eternally, now my thoughts of insanity
My heart beat, dirt concrete, I couldn't see
Couldn't, couldn't sleep, couldn't breathe my soul on
me
Fell to my knees and ask the lord to breathe
Through my brother's lungs when I heard he got
pumped with them slugs

(Chorus: Oobie)

Somebody got to die
Now I don't wanna take his life
But when I see my homie died
I knew somebody had to pay the price
It hurts to see mama cry

But I got to make a sacrifice, yeah yeah
See two wrongs don't make it right
So forgive me this night, somebody got to die

[Darkside Ballaz: Lo]

Should not of even took the dime out the bottle
Still Lord, over there on Wallow
Them niggas came with big shit
And took my cousin life real quick
They ain't give a fuck, them niggas had they pistols
buck
I heard when Lyn hit the ground they kept on hitting
him up
The only thing on his mind was trying to get away
Hoping the law had something good or score for him
that day
But since he didn't, I guess it was time for him to leave
this world
He always said he wanted to die while he was
breathing yeah
We had our mind on shooting that video that early
morn
Now not before we got the chance that living be gone
We don't need to know who hit you and took your life
away
But one day we gone get them niggas and make sure
life be straight
Everyday I think about you, and I just cry, picture you
face
In the clouds, cause down here it ain't that same
without you
You was the realest nigga, I know you feel this nigga
And it turned your brother to a killa they hurt my
feelings nigga
And when we go and get em, I do the honors
Cause they done heard my eighteen ladies, Sky, Tre
and Ladona
We wasn't ever the type to take nobody life, but they
Took yours, so now they got to die, Lord he didn't
deserve it

(Chorus)

[Todd Nitty]

Man, thangs ain't the same since I lost my sense
Now I'm on some, kill em all, fuck em all, straight
murder and shit
Drinking, fifths and hennessy to ease the pain
I can't maintain, sometimes I think I'm going insane
As I, look into my mama eyes, and all she tell me
Is, why oh why did her baby have to die

So I'm, bout to slip that clip in, cause I'm all about
revenge
And catch you slipping and do his monkey ass in
Nigga what the fuck you thought, I wasn't gone break
you off
Make somebody to get you touched, nigga you got
your life fucked up
Big Den and DJ, my motherfucking homies
I ride for you rollies cause I know y'all do it for me
I'm, bout to dump, let me put my mask on
Blast, his hoe ass and get my dash on
And not, bout to let it ride
Nigga fuck your life, you got to die, bitch

(Chorus)
