Day after day just thinking about you  
I can't wait to see your smiling face  
Could this be love, I'm feeling for you  
I've never felt this way before, no

I made a wish upon a shooting star  
And baby here you are, just you and me  
That's the way it should be  
My heart is waiting, it's an open door  
Each day I'm gonna love you more  
Of this I'm sure, that's the way I feel about you

Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you  
Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you  
I feel about you

I'm so satisfied with you in my life  
You're everything I've dreamed of  
Ooh and it feels so good when I'm in your arms  
Nothing even matter as long as you're lovin' me

I made a wish upon a shooting star  
And baby here you are, just you and me  
That's the way it should be  
My heart is waiting, it's an open door  
Each day I'm gonna love you more  
Of this I'm sure, that's the way I feel about you

Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you  
Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you

Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you

Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you

The way I feel about you  
The way I feel about you  
Every time you hold me in your arms  
I look into your eyes and I see happiness  
And my heart just can't deny what I'm feelin'  
I love what you do when you do all the things  
That you do to me

Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you  
Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you

The way I feel about you  
Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you  
Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you

Bye bye cloudy days  
Sunshine's here to stay  
Tell the world, that's the way I feel about you  
Happy days are here  
Whenever you're near  
This is clear, that's the way I feel about you
