Somewhere deep inside
Something's got a hold on you
And it's pushing me aside
See it stretch on forever
And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon
Strippin' back the coats
Of lies and deception
Back to nothingness
Like a week in the desert
And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon
So don't say "No"
Don't say "Nothin's wrong"
'Cause when you get back home
Maybe I'll be gone
(Hoo! Hoh, Oh, Oh!)
It would cause me pain
If we were to end it
But I could start again
Well, you can depend on it
And I know I'm right
For the first time in my life
And that's why I tell you
You better be home soon
And that's why I tell you
You better be home soon
