Kasabian
"Fast Fuse"

Woaah baby I was born
With a fast fuse
I got no time to love
And just a city to abuse

Woaah baby I was born
With a fast fuse
I got no time to love
And just a city to abuse

Woaah come get me
With your files don't arrest me
I'ma lose your first child, while, acid gun
Lacks so much
She shakes your morning son

Come get me
All you fuckers can't touch me
I'm a hooligan choir, sire, sit down scala
It don't matter
Give me one, two, three

Come light in the skylight
Come light me in the sky

Woaah baby I was born
With a fast fuse
I got no time to love
And just a city to abuse

Woaah baby I was born
With a fast fuse
I got no time to love
And just a city to abuse

Force your circle round
Hey wait, above the ground

Oooh
How dare you
Now it's time to address you
I'm the reason you came, shame, stroke my name

See my fish chopping off your aims
Now it's getting hotter
Now I'm spitting out lava

I'm a spanner in the works, jerks
Genuine stock
Hear their bomb going
Tick, tick, tock...

Come light me in the skyline
Come light me in the sky
Come light me in the skyline
Come light me in the sky

Woaah baby I was born
With a fast fuse
I got no time to love
And just a city to abuse

In the middle of the night
When they come for you
Where you gonna be
Whatcha gonna do

Hit me, call me,
Hit me, Call me,
Cause I'm won't be there (Hey, Hey)
Hey Hey
