Doomed from the start  
We met with a goodbye kiss  
I broke my wrist

It all kicked off I had no choice  
You said that you didn't mind  
Cause love's hard to find

Maybe the days we had are gone  
Living in silence for too long  
Open your eyes and what do you see  
No more laughs  
No more photographs

Turning slowly  
Looking back, see  
No words can save this  
You're broken and I'm pissed  
Run along like I'm supposed to  
Be the man I ought to  
Rock and Roll sent us insane  
I hope someday that we will meet again

Running wild  
Giving it everyone  
Now that's all gone

Cause we burnt out, that's what you do  
When you have everything  
It can't be true  
Maybe the days we had are gone  
Living in silence for too long  
Open you're eyes and what do you see  
The last stand  
Let go of my hand

Turning slowly  
Looking back, see  
No words can save this  
You're broken and I'm pissed  
Run along like I'm supposed to  
Be the man I ought to  
Rock and Roll sent us insane  
I hope someday that we could meet again

You go your way  
And I'll go my way  
No words can save us  
This lifestyle made us

Run along like I'm supposed to  
Be the man I ought to  
Rock and Roll sent us insane  
I hope someday that we will meet again
