I'm feeling, I'm feeling good  
I'm waving to the prisoners the best I could  
And there is one minute, minute a mile  
I'm fucking in the alley ways, you know my style  
So come on, let's ride it you do it well  
Shed another tear for the boys in hell  
And we did El Topo, a case of rum  
Talking to your elders with a broken thumb

Ahhh Julie, Julie wanna hit you with a frying pan  
Ahhh Julie, Julie wanna hit you, wanna hurt you, wanna  
shoot you through a cat scan

I am a mothman, I wanna eat right through your clothes  
I wanna take you out for dinner, I'll treat you good like  
an English rose

I'm feeling, I'm feeling good  
I'm waving to the prisoners the best I could  
And there is one minute, minute a mile  
I'm fucking in the alley ways, you know my style  
So come on, let's ride it you do it well  
Shed another tear for the boys in hell  
And we did El Topo, a case of rum  
Talking to your elders with a broken thumb

Ahhh Julie, Julie wanna (??) from your ivory hand  
Ahhh Julie, Julie wanna hit you, wanna hurt you, wanna  
dress you up like mothman

(Dress you up like mothman x2)  
I am a mothman, I wanna eat right through your clothes  
I wanna take you out for dinner, I'll treat you good like  
an English rose  
I am a mothman, I control the insects x2

I am a mothman, I wanna eat right through your clothes  
I wanna take you out for dinner, I'll treat you good like  
an English rose x2

I am the mothman, I am the mothman, I control the  
insects
