I tell you something isn't right
Way I'm feeling kept me up all night
Fix myself another drink
If this sounds crazy I need time to think

All the good ones got away
All the good ones gone to waste

And I take another hit
Do I really care? My joint's still lit.
All the TV's hypnotise
All the loonies on the rise

And oh man well I gotta tell you

Tonight ladies and gentlemen
I roll the dice
Just gimme that dice
It's been so hard working for no one
I roll the dice
Just gimme that dice

Wakey, wakey rise and shine
Put down your souvenirs I fear its time
We've been dipped behind the eyes
Switching stations as our country dies

No matter what you do, you know the world it keeps on
turning
We never feel a thing
C'mon and meet me at the carnival

Tonight ladies and gentlemen
I roll the dice
Just gimme that dice
It's been so hard working for no one
I roll the dice
Just gimme that dice

No matter what you do, you know the world it keeps on
turning

We never feel a thingâ€¦!
