I'm on it, get on it
The troops are on fire!
You know I need it, much closer
I'm treading just a little more
Step on it, electronic
The troops are on fire!
I'm much deeper, a sleeper
Waiting for the final trip

Come on it, get on it
I'm carving thru a letter bomb
I need it, like potions
These drugs are just an hour away
Come on it, electronic
A polyphonic prostitute, the motor's on fire
Messiah for the animals

Ahhh, oh come on!
We got our backs to the wall!
Oh!
Get on!
And watch out!
Sayin', "You're gonna kill us all!"

I'm on it, get on it
The troops are on fire!
You know i need it, much closer
I'm treading just a little more
Step on it, electronic
The troops are on fire! I'm much deeper, a sleeper
Messiah for the animals

Ahhh, oh come on
Say, we got our backs to the wall
Get on, and watch out
Ah, Before you kill us all
Ah, oh come on
Say we got our backs to the wall
Get on, and watch out
Ah, before you kill us all
Ahhh... (fades out)
