Too messed up, I should have followed you  
Where did you get that smile and the fine hair?  
I get my kicks from your walkin'  
I should have gone, I should have been there  
[Incomprehensible]

You come to take me away  
Like a little white rabbit from yesterday  
Little things said, said and done  
I should have shot myself on the run

I wanna love, love, love  
I wanna love, love, love right now  
I wanna love, love, love  
I wanna love, love, love right now  
So come on

She comes back for the winter  
Looking straight into my eyes  
Now I'm standing like a lunatic  
I bet you feel, I bet you taste good

You come to take me away  
Like a little white rabbit from yesterday  
Nothing's said, said and done  
I should have shot myself on the run

I wanna love, love, love  
I wanna love, love, love right now  
I wanna love, love, love  
I wanna love, love, love right now  
So come on

[Incomprehensible]
