One was the light in a candle
Two was the colour of the rain
Three was a fall in deeper
Four was a cry and shame
Five was a shiver in the winter
Six was a losing card
Seven was the hope I would never fall too hard

One was a breath under water
Two was a crash and burn
Three was a ghost of the lover
Four was a lot to learn
Five was the livin' in a cradle
Six was a mercy cry
Seven was the hope you would never say goodbye

[Chorus]
You win
I lose
You leave with nothin' to prove
You rise, I fall
I leave with nothing
Nothing at all

One was a faith in a sorrow
Two was a waste of a dream
Three was a life in a bottle
Four was the last to believe
Five was a break in the weather
Six was back to the start
Seven was the hope it would never go this far

[Chorus]

I was your wasting time
You were my angel wing
I was your falling star
You were my everything

[Chorus x2]

Nothing at all, Nothing at all
Nothing at all, Nothing at all
